Dear Parent,

Choosing an elementary school or middle school is a very important decision for most families. We are most grateful that you are considering enrolling your child at our school. Saint Paul School is a Catholic community in which love of God, neighbor and self are foremost. We provide a challenging curriculum promoting academic excellence infused with Catholic traditions and values. Children of all faiths receive an excellent, values-based education at Saint Paul School.

When we provide children with an education in faith, we affect, not only their lives, but also the life of our community. Academic excellence and Catholic values in combination provide young

people the tools to excel and the moral compass to guide how they use those tools. 100% of our graduating students gain acceptance into area private and Catholic High Schools. On our Nation's Report Card (NAEP), Catholic school students outperformed their peers in reading and math. Our teachers are dedicated and committed professionals, who have Massachusetts certification and have a long tradition of graduating students well prepared for a rigorous high school curriculum.

We teach the Catholic faith, provide opportunities for the practice of our faith, and help students establish a personal relationship with their God. We impart a reverence of life as a gift from God. Students are taught to be mindful of their neighbors by providing for those in need. By following the Curriculum guideline of the Archdiocese of Boston, we provide a sound academic experience for our students. Our school serves families of Saint Paul Parish and the neighboring parishes on the South Shore.

Sincerely,

Mrs. Cynthia Duggan, Principal
