Socially Speaking, on Friday, October 28, from 6:30pm until 8:30pm, the annual Harvest Dance will take place at Saint Paul School Hall.

NDVS:

"It's A Great Time To Learn!" (Steve Jobs), and that is exactly what students of Grades 4 and 5 are doing, in Notre Dame Virtual School, commonly referred to as NDVS! The theme of their first two classes was "The call to Faithful Citizenship." After brainstorming on these words, posters were designed, clarifying the theme. The foundation for these classes is based on one, in a series of documents, issued by the USCCB yearly, for the past 35 years!
