

# Saint Paul School

*in Hingham*

*Week of November 7, 2011*

PAUSE TO REMEMBER all Veterans on November 11. IN FLANDERS FIELDS, by McCrae, helps us recall the meaning of this day through the following:

"In Flanders Fields the poppies blow  
Between the crosses row on row...  
The larks, still bravely singing fly  
Scarce heard amid the guns below."

## HIGH SCHOOL PLACEMENT TEST:

Students of Grade Eight will take the High School Placement Test on Saturday, November 12, for admittance into the area Catholic high schools. We pray that all students will be guided by the Holy Spirit, to perform to the best of their ability.

## AROUND THE WORLD:

Saying "Hello" is easy, and students of Grade 5 have said it, world wide! Through NDVS, each student chose a country, and found the flag and location of the country. They discovered that words from particular countries have, in many instances, been incorporated directly into the English language. Some examples are: Paprika from Hungary, Coach from Romania, Trespass from France, and Karate from Japan! Yes, it is a Small, Small, World!

DID YOU KNOW ... Captain Breen, father of First Grader, Kerry Breen, and Captain of the Hull Fire Department, came in during Fire Prevention Week in October and talked to students in Grades K and 1 about Fire Safety?
