

Saint Paul School

in Hingham

Week of September 26, 2011

ICE CREAM FUNDRAISER:

Monday, September 25, will have a bit of summer to it! Students, Parents, and Friends of Saint Paul School, are invited to stop by Brigham's not only to have some delicious Ice Cream, but to aid in our "tasty Fundraiser!"

SCHOOL ELECTIONS:

Tuesday, September 27, holds a special meaning; election time is once more upon us! Ballots will be ready; speeches will be delivered, and then students will each indicate his/her choices! The offices of President, Vice President, Secretary, and Treasurer will be announced! This is a very important time for all, here at Saint Paul School!

Thursday, September 29, is also an Election Day here at Saint Paul School. Every Grade, Pre-K through 8, will select two representatives. These elections will be held in each classroom, and results announced at the end of the day!

Archangels Gabriel, Michael, And Raphael, speaking of elections, were elected by God for special "jobs." Gabriel was sent to Mary, asking her to be the mother of Jesus. Michael has the title of "First Champion of the Kingship of Christ." And, Raphael's name means "God heals." He is the patron Saint of Nurses, Physicians and Travelers.

ONWARD AND UPWARD:

Onward and Upward is where the students of Grades 4 and 5 are headed! This year an addition to their course of studies is taking place! They will be part of the Notre Dame Virtual School! For the first two weeks the students will be involved in a Religion Learning Web, the topic of which is "The Call to Faithful Citizenship." Sincere gratitude is extended to Father Rafferty and Mrs. Duggan, for these additions to our curriculum!

DID YOU KNOW?

Grade 6 received brand new desks, Grades 1 and 2 received new chairs, and Pre-K received a new curriculum called OWL!

OWL or "Opening a World of Learning" is a comprehensive curriculum that covers all domain of early learning. The content of each unit is built around a carefully crafted daily routine within an activity-center day. Themes, skills, and concepts are developed through quality children's fiction and nonfiction trade books. We are very excited to implement and learn!
